1

## Why

we should  
be paying  
attention

2

## What

we are up  
against

3

## How

we will  
better  
protect our  
children

# 1996:

- Don't get into strangers' cars
- Don't meet people from the internet

# 1996:

- Don't get into strangers' cars
- Don't meet people from the internet

# 2021:

Literally summon strangers from the internet to get into their car

**Times have changed!**

**The temptations...  
have not.**

This is really a  
*parenting* issue **first**.

This is a *technology*  
issue **second**.

"The Digital Age is upon us. **In the span of less than three decades**, we have redefined the way humans communicate, entertain, inform, research, create, and connect – and what we know now is only *a hint* of what is to come."

ALBERT MOHLER

# Psalm 127:1

**Your children have lives online.**

**Do we know what  
they're doing?**

1

PARENTS NEED TO REALIZE THAT...

**We can never use  
the excuse that  
we didn't know.**

Form **1040**  
**Label**

(See instructions on page 12.)  
Use the IRS label.

## 2

PARENTS NEED TO REALIZE THAT...

Your child **does not yet have**  
**the experience** and will power  
to keep themselves in check.

# 1,836,702,000

sites on the internet as of February 12, 2021

# 68,140,166

of those are porn sites

SOURCE: *Huffington Post*

“Adolescents who view pornography feel shame, diminished self-confidence, and **sexual uncertainty.**”

DR. PATRICK FAGAN

*DIRECTOR, MARRIAGE & RELIGION RESEARCH INSTITUTE*

“Porn use by our youth is a greater threat to our national well-being than our **economy**. If you get connected with porn early in life, it alters your ability to relate.”

DALE KUEHNE  
SAINT ANSELEM COLLEGE

“A significant relationship exists between frequent pornography use and feelings of loneliness, including **major depression** in adolescents.”

MICHELE YBARRA

PRESIDENT, *INTERNET SOLUTIONS FOR KIDS*

“Parents are the **weak link** in the chain when it comes to protecting their children.”

DONNA HUGHES

PRESIDENT & CEO, *ENOUGH IS ENOUGH*

The average age of first exposure to internet pornography or nudity on a screen is

**8 years old.**

# 94%

of children have seen nudity on their screens, **most while doing homework.**

# 87%

of sexual solicitations  
are made to youth in  
“chat” apps.

# 67%

admit to clearing their browser history/search history in order to hide internet usage from their parents.

PARENTS NEED TO REALIZE THAT...

**Privacy** is an illusion.

# Facebook pays teens to install VPN that spies on them

Week of January 27, 2019

## Facebook has been paying teens \$20 a month for access to all of their personal data

The shocking “research” program has restarted a long-standing feud between Facebook and Apple.

# Technology is **amazing!**

So let's teach our  
children to use it  
**responsibly**

# THINGS YOU CAN DO AT HOME TONIGHT

- **Make a list of devices in your home that access the internet.**
- **Have the child's device always managed / in your sight.**
- **Take up all devices at bedtime.**
- **Look for previous evidence.**
- **Beware of suspicious apps.**
- **Kids and Parents: live life on your devices no differently than real life!**
