You are the **product**,
not the customer.

Social Media **does not**
have your child's best
interests at heart.

Nothing is private.

Know your child's
account username and
password for any and
all accounts.

Your child will naturally gravitate towards what is popular with their friends and what you're **not** using.

“It’s mainly for old people.
Like my mom and dad. And
my grandpa writes on it in
all caps.”

“It’s the social network
my parents don’t know
how to use.”

twitter

“It’s basically the Wild West of the internet. Pretty much anything goes.”

“Twitter is where my
parents can’t keep up
with me.”

twitter

“...it’s where I can say what I want to without being judged. And nobody knows who I really am.”
